March of Dimes Ve Extended

Alameda County's annual polio appeal—the March of Dimes—has been extended to February 15, announced today by Albany Chairman Joe Villa.

There are still many Albany residents who want to contribute to the "easy giving" red, white and blue coin cards mailed to them have been returned to campaign headquarters, Main Ave.

Don't need to be filled with the "easy giving" red, white and blue coin cards mailed to them have been returned to campaign headquarters, Main Ave.

Use of the urgent need—all of Dimes funds were expended last year in fighting the worst polio epidemic—we feel that the March of Dimes

Albany PTA's to Observe Founders' Day February 9

The month of February has a special significance for members of Parent-Teacher Associations, since it marks the anniversary of the founding of the National Congress of Parents and Teachers.

In honor of Mrs. Alice McCellan Birney and Mrs. Phoebe A. Hearst, who founded the organization on February 17, 1897, the P.T.A.'s of Albany's six schools will join in a special Founders' Day meeting to be held at Albany High School Thursday, February 9 at 2 p.m.

The program will be presented by the Albany High School Glee Club under direction of Stephen Lehner.

Seven honorary life memberships in the C. C. P. T. will be awarded. Included are two from Cornell, two from Marin and one each from Albany High, Codornices and MacGregor schools.

The memberships serve a dual purpose—honoring men and women who have given outstanding service to the cause of child welfare and providing funds toward the C. C. P. T.'s scholarship fund to train teachers. The memberships are \$25 each.

Presiding over the meeting will be presidents from the local P. T. A.'s. They are Mesdames S. E. Odegard, Albany High; Mrs. Louis Sims, Codornices; Mrs. Laurence Olson, Cornell; E. M. Cooper, MacGregor; S. E. McGaw and G. R. Geering, Marin and John E. Ellinger, Vista.

Past presidents of the associations will be honored guests.

Founders' Day chairman, in charge of the meeting are Mrs. Ronald Grisham, Albany High; Mrs. Vernon White, Codornices; Mrs. Frank Gira, Cornell; Mrs. Kenneth Hawkins, MacGregor; Mrs. Charles Markley, Marin and Mrs. Herbert Minster, Vista.

Albany High and Codornices P. T. A.'s have charge of the program; Marin and MacGregor, decorations and Cornell and Vista, refreshments.

Refreshments will be served in the school cafeteria.

'Bill' Donahue Enters Albany Council Race

William T. "Bill" Donahue, member of the Albany Planning Commission, today announced his intention of entering the race for Albany City Councilman.

A long-time resident of Albany, Donahue makes his home at 735 Spokane Ave. with his wife, Annie and son, James.

"The deciding factor in prompting me to enter the race for Councilman has been the constant requests from my Albany friends, who have stated that they want a representative who knows Albany and its citizens—one who will conscientiously represent them at all times," Donahue said in his announcement.

"I am well qualified in every respect to fulfill the expectations of the citizens of Albany and earnestly assure them that their wishes will be carried out if I am elected as their representative," he said.

Legion to Show '49 Series Films

With the efforts of Joe Olsen and the co-operation of the Oakland Tribune sports and promotion departments, Albany Post No. 292, American Legion will present the first East Bay showing of the 1949 World Series pictures 7:30 p. m. Friday at the Veterans' Memorial Building.

Olsen, a former Yankee pitcher, will have Jerry Coleman and Charley Silvers of the 1949 Yankee team as his guests.

Honored guests of the evening will be members of the 1949 Junior Legion Baseball team.

Albany Councilman Raymond Cleary, a former big league player, will be master of ceremonies for the evening.

While guests and friends are having refreshments, Post members will conduct their regular business meeting.

Godfrey P. Hanson will give a general report on the 18th annual links to be sponsored by the Post in March.

STANLEY C. WILLIAMS

Stanley Williams Seeks Re-Election To Police Post

Albany Police Chief Stanley C. Williams said today that he would seek re-election for the post of Police Chief at the Albany city election on April 10.

The incumbent chief started his work with the Albany department on May 1, 1924, when he was appointed a deputy marshal, before the organization of the present police department.

Williams has served as police chief since February 15, 1943, when former Chief Lloyd Jester joined the Navy. He was elected police chief in the 1946 city election.

Williams served as sergeant and inspector from 1938 to 1943.

A veteran of World War I, Williams is a charter member of Albany Post No. 292, American Legion; past president of Albany Exchange Club and a member of the Eagles. He is an active member in the Albany Masonic lodge, Eastern Star, Scottish Rite Consistory, Aahmes Temple Shrine, and has a life membership in the Shrine Hospital for Crippled Children.

Williams is a member of three (Continued on page six)

Mata and Hari Perform Here Monday Evening

Ruth Mata and Eugene Hari, international dance satirists and mimes, will be presented 8:15 p. m. Monday at the Albany High School Auditorium by the Albany-El Cerrito Community Concert Association, it was announced today by William Woolworth, president.

Already well known on the Broadway stage, in nightclubs and in Hollywood, Mata and Hari present a program satirizing a succession of American institutions.

Other members of their company include the San Francisco-born Soya Leporsky; Norman Thomson, a graduate of the Ballet Theatre corps de ballet and Tommy Marlowe, ice-skater and Navy veteran of World War II before joining forces with Mata and Hari. The pianist of the troupe is Lothar Perl.

This is the second in the present series of concerts presented here by the Association. The third and final concert is John Carter, young American tenor, scheduled for March 7.

Kathe Zahn Is Candidate for City Council

Mrs. Kathe Zahn, of 911 Santa Fe Ave., this week announced her candidacy for Council membership in the Albany City election on April 10.

Mrs. Zahn is seeking election on a "public spirited citizens' ticket" and said that "if elected the people

MRS. KATHE S. ZAHN

of Albany will have a government of the people, by the people and for the people."

Mrs. Zahn has "championed" numerous "one-woman" campaigns which have resulted in many civic, welfare and community improvements. Mrs. Zahn believes that since every phase of government affects the home, women should assume their share of the responsibility of government management.

Mrs. Zahn is a graduate of Dr. Scherler's Private Girls' College in the former Free City of Danzig, had a general classical education with particular emphasis on languages. She has resided in Albany since January, 1929, is a property owner and has raised a family of three children. Mrs. Zahn's husband, Dr. Victor Zahn, recently retired from Shell Development Com- (Continued on page six)

'Hi-16' Compete Sunday at Bowl

Starting at 5 p. m. Sunday, 16 bowlers who have qualified for the Once-Across Tourney at Albany Bowl will roll 8 games across the alleys competing for \$300 in cash prizes.

In the Bowl's 825 Scratch League, Keith Harris rolled the highest series for the league this week with 580. Berkeley Pump and the Windup are tied for first place in team standings with 38 wins and 16 losses.

Block Jewelry, who are two games ahead of Albany Tire Service, only took one game from the Locators this week, while Albany Tire lost two games to Gar Wood Industries. Herm Morris, who topped the other league bowlers for a high 555 series, scored over Jim Krause by two sticks.

Berkeley Pump in the 750 League rolled scores of 810, 878 and 845, taking the entire works from Gilrain Keefe and Hansen. Guido Cigrano tumbled the maples for games of 197, 198 and 187 for a 582 series.

The Windup and Mechanics Bank teams of the Women's 49er League bowled last Tuesday in the Women's Tournament at the Pacific Bowl in Oakland, but failed to land among the leaders.

The Albany Rotarians still hold a slim lead in the Service Club League, although both the Exchange and Junior Chamber are right at their heels.

Albany Masons to Hear Judge Quyle

Judge Donald K. Quyle of the Alameda County Superior Court will speak to Albany Lodge No. 686 F.&A.M. at a dinner meeting to be held next Tuesday evening at the Maccabee Hall.

Dinner will be served at 6:45 p. m., followed by Judge Quyle, who will speak on "Our System of Courts."

For reservations, call Anthony Bertino at LAnd. 5-7031.

Louis Griffing Dies in Merced

A requiem high mass was celebrated Monday at Our Lady of Mercy Church in Merced, Calif., for Louis Leland Griffing, 49, former Albany restaurant owner for 20 years, who died there suddenly last Saturday from a heart attack.

Local services were conducted from the Drawing-Room Chapel of Ellis-Olson Mortuary Wednesday morning, followed by a military service at Golden Gate National Cemetery in San Bruno. The Rosary was recited Tuesday evening.

A native of San Francisco, Mr. Griffing came to Albany in 1927 where he was in the restaurant business until 1947. He and his wife vacationed in Mexico for five months after leaving Albany, later returning to Merced where he operated the Merced Coffee Shop.

Mr. Griffing served in the Navy during World War I, and was a member of the Royal Order of Moose, Albany Eagles and a past member of the Albany V.F.W. Post.

Survivors are his wife, Marion; two sons, Louis Jr. of Richmond and Donald R. of Albany; a daughter, Ruth C. Dodson of Lafayette; a sister, Mable Oakley of North Las Vegas, Nev., and a niece, Gloria Thompson of Richmond.

1000 Oaks Lodge to Hold Sports Night

The Thousand Oaks Lodge No. 478 F.&A.M. will hold its annual sports night on Tuesday evening, February 14, at the Masonic Temple, Solano at Colusa Aves.

Dinner will be served at 6:30 p. m., followed by the showing of the 1950 Rose Bowl Football game pictures. Representing the various sports will be Brick Muller, Bob Celeri, Herb Schmallenberger, Wes Frye and Brooks Holder.

Delay Asked For Further Questioning

The Albany City Council Monday night called for a second public hearing on the proposed city manager form of government in Albany.

Councilman Frank Hays said the hearing will be held within the next three weeks, the date to be announced later.

Decision for a special hearing on the city manager plan was unanimously approved by the Council after hearing request for delay of second reading of the ordinance made in letters from the Committee for the Good of the City, Lions Club and Exchange Club.

The letter from the newly formed Committee for the Good of the City was signed by Max Ettingoff, Mrs. Beatrice Raymond, Mrs. Minnie Lou Eakin, Joseph M. Villa and Mrs. Catherine J. Webb.

A petition signed by 31 residents of Key Route Blvd. was submitted to the Council opposing the proposed name change of the street.

The name change was first requested two weeks ago when 25 residents of the street petitioned the Council to change the name to "Memorial Lane" or "Memorial Drive."

Both letters on the issue were referred to the Planning Commission.

In other business, the Council announced that Earl Harsch of the Street Department has taken over duties as full-time caretaker of the Albany Dump. He will replace Morley Biccum, who is retiring.

Councilmen said Harsch will be paid \$250 a month and will turn all salvage material over to the City, where Biccum was paid a nominal salary and permitted to keep or dispose of salvage material as he wished.

p. m., followed by the showing of the 1950 Rose Bowl Football game pictures. Representing the various sports will be Brick Muller, Bob Celeri, Herb Schmallenberger, Wes Frye and Brooks Holder.

Is the Cart Before the Horse?

Anyone can raise an issue whether it be right or
wrong, minor or major. Anyone can buy space in
a publication and voice his opinion. Issues are like
snowballs—they take very little push to roll to
bigger size. The effect of any issue is this: That
as it goes along it gathers assumptions until the
assumptions far outweigh the original issue—from
snowball to avalanche.

If the avalanche is destructive, who is respon-
sible? The avalanche or the person who gave the
first push to the snowball? The City of Albany has
and is paying dearly for the avalanche.
The dignity, honesty, and efficiency of the City
of Albany should be in your hands, as citizens. As
is the case throughout the history of the United
States, when an intolerable situation has gathered
into an avalanche, the thinking and responsible
people of a community gather together, regardless
of their differences of opinion on small and minor
items, to tackle the important problems for the be-
nefit of their city, the dignity of its reputation, and
the reinstating of respect and cooperation for and
with its duly elected and appointed officers. This is dem-
ocracy. To this purpose this committee grew from
twelve last week to eighty this week, and will grow
and grow.

We propose to put the horse before the cart—
where it belongs. To do this we will need the help of
not just a few but every citizen of Albany. We will
need your careful thought and discussion, your tol-
erance and the utmost of honesty in considering
what is good for the city.

The members of this group have observed and
thought carefully about the City Manager form of
government for a number of years, searching for
something of real benefit to our city. This is a major
problem which demands the consideration of every-
one and which we will fight desperately to keep
from being befooled by trivia.

1. What is a City Manager?
A man carefully and thoughtfully selected for his
training, experience and executive ability who ad-
ministers policies, coordinates and supervises the
work and efficiency of all departments of the city,
prepares and recommends the budget to obtain the
greatest service to the people of the city and con-
trols and keeps a strict accounting of all money
appropriated to the use of the various departments.
2. Why should he do a good job?

Because he is appointed for his skill and experi-
ence and, being an appointed officer, his reputation,
his advancement and his job depend on doing an
outstanding job for the city.

3. How is he responsible to the citizens?
Under this form of government the manager is
appointed and dismissed by the Council. Again, here
is democracy at work, for you as citizens hold the
role right to nominate, elect, and dismiss those who
sit on the council of the city. On your consideration
and care and active interest rests the selection of
your council.

4. What do the department heads think of this
type of operation?

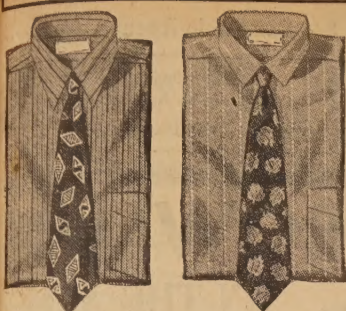

Albany has department heads who are trying to
carry out their responsibilities as efficiently as pos-
sible under the present type of government. We of
the committee have talked to every one of these
and without qualification they feel that a City Man-
ager would not only greatly help the city as a
whole but also the coordination and efficiency
within their own departments and between all de-
partments of the city.

5. What is the experience of other cities like ours?
May we quote from a letter to the City of Mo-
desto from the City of Oceanside which operates
with a City Manager—"We feel that our Man-
ager has saved the City of Oceanside considerable
amounts of money in coordinating and centralizing
the different functions of the City. Since he has
been here, he has instituted a centralized purchas-
ing system, a central garage for all City equipment,
a common small stores pool for all City Depart-
ments, a central stationery and office equipment
pool, and a central mimeographing set-up which
handles all Departments. We feel that he has saved
City Departments a great deal of time and money
by being on the spot with authority to solve Depart-
ment problems as they become apparent, rather than
have the Department Heads chase down five dif-
ferent Councilmen to get their opinion, as in the
past. He has also saved money in the use of City
employees by working employees of one Depart-
ment into another during periods of slack time
rather than hiring new employees. There is no doubt
that this form of government helps all department
do more efficient work by keeping constant super-
vision over all Departments and by having an over-
all picture of their problems."

Local Pre-School 'Graduates' Nine

Nine young "graduates" of the Albany Pre-School will be feted at a semi-annual graduation party to be held at the school 4 p. m. Friday. Refreshments will follow the regular play time as the youngsters bid farewell to their nursery school days where they have learned to play and share with other two-to-four year olds.

Those entering kindergarten next week are: Mark Hames, son of Mr. and Mrs. Hydon Hames of 1112 Neilson St.; Lucky Lavery, son of Mr. and Mrs. Guy Lavery of 830 Talbot Ave.; Pamela Lawlor, daughter of Mr. and Mrs. Eugene Lawlor of 1122 Santa Fe Ave.; Jack McCoy, son of Mr. and Mrs. Felton McCoy of 1040 Ventura Ave.; Laura Neilmeier, daughter of Mr. and Mrs. Herbert Neilmeier of 717 Buchanan St.; Joy Ellen Radder, daughter of Mr. and Mrs. Arle Radder of 1022 Santa Fe Ave.; Billy Shaw, son of Mr. and Mrs. Charles Shaw of 800 San Carlos Ave.; Jacqueline Taylor, daughter of Mr. and Mrs. Jack Taylor of 815 Adams St.; and Bill Thomas, son of Mr. and Mrs. Merritt Thomas of 805 Curtis St.

In charge of the festivities will be Mrs. D. L. Heggie, social chairman, and Mrs. Nell Curran, director.

Plans for the coming semester were discussed at an executive board meeting last Wednesday evening. The meeting was held at the home of Mrs. Alice Murrow, who was assisted in her duties as hostess by Mrs. Vivian Girard and Mrs. Bernice Walton.

A low cost car to buy

**\$479⁰⁰*
DOWN**

That's all it takes to put this Ford "Six" in your garage. And the new 100 horsepower Ford V-8, too, can be yours for hundreds less than you'd pay for "sixes" of most other makes. And it's the Fashion Car... now more beautiful than ever.

* The delivered price of this 6-cylinder Deluxe Business Coupe includes oil bath air cleaner and oil filter. Local and state taxes and license extra.

A low cost car to own

You'll find that this Ford in your future has a future built in that brings you real savings. Its 13-way stronger "Lifeguard" Body... its new dust and water seals... the dozens of other Ford advances... all add years to your Ford's life. And that means you'll be spending less for service. And Ford's advanced 95 h.p. SIX means savings in gas and oil, made even greater (up to 15%) by Ford's Automatic Overdrive, optional at extra cost.

And quality to match
America's finest

Drive a 1950 Ford and you'll feel you're riding in a car that costs thousands more. You'll feel the cushioned comfort of Ford's new non-sag, foam rubber front seats... with the most hip and shoulder room in Ford's field. You'll feel King-Size Brakes, 35% easier acting. You'll hear how the '50 Ford's new "sound conditioned" interior deadens road noises. You'll say Ford's the one fine car in the low-price field.
